People who are from outside each school should contact the school instructor to find out if they can attend.

MAY

21

European Yeung Family Tai Chi Chuan Gathering 2023 – Czech Republic

21. 5. – 28. 5. 2023

We are holding the European gathering for May 21. 5. – 28. 5. 2023. 6 days of training under the guidance of Jim Uglow and his senior London students.

Get you Registration as soon as you can because thanks to success of first and second camp we expect that it will be "crowded". And some people already booked their places and bought their flights. This will be one of the chances to assemble everyone together in a fantastic setting, to train together but also to create a proper family. Meet brothers and sisters from different countries, make new friendships ...

Price approx. 718 Euro (will be updated according to situation, covers lodging, 3-4 meals a day and training).

Venue: Czech Republic, camp at Zubri u Noveho Mesta (nice place in nature)
